Dental Plan

Effective September 1, 2008, the GNWT dental plan for NWTTA members will be amended to reflect the following increases:

1. Increase the dental coverage (excluding orthodontic services) to a maximum of \$1,500 per year.
2. Increase orthodontic coverage to a maximum of \$4,000 per lifetime limit per dependant.

Your dental plan group number and Green Shield ID numbers will remain the same; therefore, you will not require new cards.

New booklets will be produced and once received, will be placed on the Green Shield Plan Member Online Service website and the GNWT Department of Human Resources' website at www.hr.gov.nt.ca/nwtta.
